5. Tenders will be opened by the District Medical Officer-in-charge, at his office, on the date and the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the amount of Rs. 250 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, on his producing the necessary bill with vouchers.

A fine not exceeding Rs. 50 will be levied by the Medical Officer, for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security will be confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon, who will have the power to fine up to Rs. 100, and the decision of the Senior Surgeon will be final in all infringement of the contract.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.
